THE EVENT

**Barbecue Expo is the only French trade show,
100% dedicated to the world of barbecue**

An exhibition of the latest trends, it aims to become the must-attend event for all those who love grilling and friendly outdoor cooking.

120

exhibitors from all over the world

20

countries represented

15 000

visitors expected as well as must have brands

Behind the tool, a real way of life!

The objective of Barbecue Expo is to present all the products that revolve around the Barbecue world :

Cooking tools & accessories

Fuels

Sauces & spices

Liquor & Spirits

Food

Cooking books

The goal is also to show that barbecuing is not limited to grilling but can be used in winter as well as in summer to cook various foods. Finally, beyond the exhibitors present, the visitors will have the opportunity to live a unique day thanks to a whole panel of demonstrations, trainings and tastings.

WHY BECOME AN EXHIBITOR ?

To become an exhibitor is to benefit from a 360° communication campaign all over France. It is also a unique opportunity to present your products to a passionate public eager to discover new products from all over the world.
